

Adoption and Foster Care Ministry

Born In Our Hearts is an adoption and foster care ministry embraced by RiverTree Christian Church. This ministry is open to anyone - whether part of the RiverTree family or not - who has already adopted or fostered, or is considering or in the process of adopting or fostering. There are many benefits to being part of ***Born In Our Hearts***:

- ❑ Social gatherings for fun and fellowship
- ❑ Opportunities for the children to play together and learn that being adopted is a great thing
- ❑ Prayer support in times of need or celebration.
- ❑ Mutual support
- ❑ Information and resource sharing

Through partnerships that RiverTree also has with Christian Children's Home International and the Pregnancy Support Center of Stark County, ***Born In Our Hearts*** also has access to a myriad of additional professional resources.

Because there are nearly always families who are welcoming God's children into our hearts and lives, ***Born In Our Hearts*** is a ministry constantly in a state of celebration.

Yet during times of pain, frustration, or disappointment, friends are there for one another to understand and listen.

Currently, our families have adopted from within the USA as well as from

- Russia
- China
- Guatemala
- Haiti
- Kazakhstan
- Peru
- Philippines
- Romania
- Russia
- South Korea and
- Vietnam.

Born In Our Hearts has been the only faith-based organization to win national and state adoption excellence awards for demonstrating dedication to Ohio's children needing permanent families.

If you have adopted or fostered or even thought about it or if you just have questions about ***Born In Our Hearts***, please call 330-494-1860 and leave a message at extension 210, or go to our web site for more information or to contact us
